PRINCIPAL'S MESSAGE

RAJA PEARY MOHAN COLLEGE has been a torchbearer of higher education in the district of Hooghly since 1887. However, even after 130 years, the core values that guided the ideals of the founders of this college haven't changed much. We remain committed to follow the path shown by them, yet have kept pace with the changing times. Today, the college with a glorious past has truly evolved into an institution with modern facilities. In the streams of Humanities, Science and Commerce, the overall result of our College is among the best in the University. With the harmonious confluence of age-old tradition and modernity, our College is

offering a wholesome education which is pragmatic, eco-friendly and job-oriented.

The University of Calcutta has already introduced the CBCS system which has proved beneficial to the student community. Our College is adequately equipped to deal with the changes in curricula and methodology. We have very competent, erudite and dedicated faculty who always strive for the betterment of the students. We also try to provide our students exposure beyond the academia through activities like NSS, Eco Club etc. which help them to diversify and make a real difference in the society at large. Our College has a great track record in providing support to Government Scholarship program like Kanyashree and Swami Vivekananda Merit-cum-Means Scholarship. I wish every student to have a fruitful and rewarding association with the institution.

Dr. Sudip Kumar Chakrabarty

ABOUT THE COLLEGE

VISION

- To achieve excellence in higher education.
- Empower students through knowledge.
- To establish a College to study the natural sciences that would enable the people to get rid of superstition and ignorance. (From *Uttarsakshar*, a publication of Joykrishna Public Library, Uttarpara).

MISSION

- To excel as a higher education centre for Humanities, Commerce and Science streams.
- To nurture the competence and creativity of students & teachers through innovations in Teaching-Learning, Research and Extension activities.
- To spread female education & cater higher education to financially weaker section of the people in adjacent rural and urban areas.
- To create awareness of human rights, value system, culture, heritage, scientific temper and environment.
- To ensure participation of all the stakeholders in the development of the college.

THE HISTORY OF THE COLLEGE

RAJA PEARY MOHAN COLLEGE was established on 20th June 1887 under the visionary leadership of BABU JOYKRISHNA MUKHERJEE, a benevolent zamindar of Uttarpara and a foremost social reformer of 19th century Bengal. At the time of its establishment, the college was known as Uttarpara College. In 1889, the newly established college was amalgamated with Uttarpara Government School and came under the management of Bengal Government. Eight years later, the Government retained only the management of the school while the college came under the benevolent patronage of RAJA PEARY MOHAN MUKHERJEE, worthy son and successor of Babu Joykrishna Mukherjee.

The sad demise of this great benefactor of the college in 1923, however, did not lead the College to a *cul de sac*, for his son, KUMAR BHUPENDRA NATH MUKHERJEE, who inherited the Renaissance idealism and reformative zeal of his grandfather and father, took over the patronage of the College. In 1932 when a decision was taken by the Governing Body to close down the College, the teachers and the non-teaching staff together decided to work voluntarily and set an example of extreme self-dedication against the closure.

ACHARYA DHRUBA KUMAR PAL, the then Principal of the College, gave dynamic leadership to this movement at that critical juncture. Local citizens and ex-students came forward with donations to save the College from the proposed closure. Representations were made to the Bengal Government. Finally, after a long period of hardship, on 21st

August 1938, a team including ‘Sher e- Bangla’ A.K. Fazlul Haque, the then Chief Minister of Bengal, visited the College and a financial grant was approved by the Directorate of Public Education of Bengal. After the demise of Acharya Dhruba Kumar Pal, PROF. KIRAN CHANDRA GUPTA took charge of the College as Principal in 1950. He and his colleagues devoted all their energy to raise the status of the College. In a function held on 4th October 1953, the College was renamed ‘Raja Peary Mohan College’ after its benefactor.

The College got affiliated to the University of Calcutta for B.A. in 1955, for B.Sc. in 1956 and for B.Com in 1958. In 1960, the affiliation of the College was transferred to the University of Burdwan. Later, after a number of protest meetings and demonstrations against this move, the College came back once again under the affiliation of the University of Calcutta in 1966.

The College has gradually occupied a glorious position in the field of higher education in West Bengal. The College administration, teaching and non-teaching staff and the students work in tandem to build up an ideal environment in the field of higher study which is the real strength of this esteemed institution.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The National Assessment and Accreditation Council (NAAC) was initially formed as an autonomous body to assess and accreditate all higher education institutes in India for quality sustenance and quality improvement of higher education, under certain parameters. It is being presently monitored by MHRD, Government of India, keeping its autonomous status unchanged.

The College hosted the NAAC Peer Team visit for the first time on 2nd and 3rd August 2005, for its assessment and accreditation, under Dr. Bulbul Thakur, the then Coordinator of NAAC Committee. The College was accredited by NAAC with Grade B++ and score 83%. Subsequently, after the 1st assessment, the NAAC emphasized on the establishment of an Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance activity.

The primary aim of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. IQAC ensures continuous improvement in the operation of the institution as also accountability among the stakeholders.

The functions of IQAC are:

- Development and application of quality benchmarks/ parameters for the various academic activities of the institution.
- Dissemination of information on the various quality parameters of higher education.
- Organization of workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.

Accordingly, an Internal Quality Assurance Cell (IQAC) was formally constituted with Dr. Kuntal Mukhopadhyay, the then Head of the Department of Political Science, as coordinator in 2006. Thereafter, Dr. Sanjukta Bhattacharyya, Associate Professor of Philosophy, took over the charge as coordinator, IQAC of Raja Peary Mohan College. The College proceeded for re-accreditation by NAAC for the 2nd phase under the coordinatorship of Dr. Sanjukta Bhattacharyya. The re-accreditation was conducted by NAAC during 10th-12th September 2014 and according to the new methodology the College was awarded Grade B and CGPA Score 2.70 in the 4 point scale. So the college was selected to receive RUSA Grant from the Central Government.

Currently, Dr. Santanu Rana, Assistant Professor of Zoology has taken over the charge as the co-ordinator of IQAC of Raja Peary Mohan College.

COLLEGE LIBRARY

THE CENTRAL LIBRARY of Raja Peary Mohan College has a rich heritage. Presently, the total number of books in the Library is more than 30,000 and every year there is a fresh purchase of books from the UGC grants and College fund. Being an old college, it has a rare Book section of invaluable

books. The library catalogue is wholly computerized with library management software, KOHA and institutional repository software, Dspace. This has enabled OPAC search to be possible through LAN from any site beyond the library premises. The College has given special effort in the development of library infrastructure so as to develop the students' habit of regular use of library (both reading and borrowing). College is the member of INFLIBNET of UGC (N-List and Shodhganga). It is also an institutional member of NDL (National Digital Library). Open access(DOAJ/DOAB/DOAR) is provided in the library for the interested students. Reprographic facilities can be accessed by the students through photocopy machine installed in the library.

LIBRARY RULES:

- Disregard of library rules, indiscipline and misbehaviour will render students liable to be denied access to the library.
- The Library remains open on all working days except on holidays and Sundays, unless notified otherwise.
- Reading Room is open to all students from 10 A.M. to 4.30 P.M. Attendance is maintained by a daily register.
- Three books at a time may be issued from the home lending section to Honours students and two to General degree students.
- Books borrowed by the students must be returned to the library within the specified date failing which late fines will be charged as per rule.
- Any student who borrows books from the library without permission or tears pages out of library books will be subject to the severest penalties.
- Books lost must be replaced by latest edition of the same/compensated in cash, the amount of which will be decided by the college authority.
- Defaulters of tuition fees are not allowed to borrow books.
- Books are to be issued in the reading room on presentation of the Students' Library Card which will remain with the librarian as long as the books are in use.
- Career Guidance section is also available for use.

MS TEAMS

Raja Peary Mohan College has done an online integration of Microsoft Teams and Office 365 Education package. The college has mapped every student and provided them with unique Microsoft office 365 powered User ID that has their college ID. Every student has been integrated into a team for seamless online classes. All teachers have been provided with Microsoft office 365 powered User ID. The platform is being used routinely for online classes and webinar.

Microsoft Teams is a collaboration platform within the Office 365 Suite where teams connect through shared notebooks, chat sessions, virtual meetings, and resource sharing. Using both Microsoft and non-Microsoft tools, including hundreds of third-party applications, teachers can create groups or classes that include any member of your organization, making it a great fit for sports teams, clubs, and leadership committees (for larger scale use, School Data Sync allows automated creation of classes). Learners can share resources, work on projects, delegate tasks, and communicate their progress via their Class Notebook, and teachers can create assignments and share files via SharePoint, so students get individual copies.

Integration with other Microsoft tools, such as Outlook, SharePoint, PowerPoint, and OneNote make this tool a hub for learning with just one login. However, if Teams is going to replace your learning management system (LMS), you'll have to rely on other tools for things like parent communication, efficient assignment submission and management, and better grading capabilities.

A MS support group has been set up in the college to facilitate seamless integration.

A two day programme is held in the month of January every year. The major programmes include:

- Prize Distribution Ceremony: Prizes are distributed among successful candidates of various University examinations who have topped among the College students, and to winners of Singing, Recitation, Debate, Extempore Speech and Quiz competitions.
- Inter Institutional Cultural Competition: Academic Institutions in and around the college are invited to participate in a cultural competition. Every year a significant number of schools and colleges take part in this programme.

NATIONAL SERVICE SCHEME

Co-curricular activities like NSS are an integral part of college life. They promote academic excellence apart from creating a sense of social and moral responsibility. There are two NSS units in this college which have been running successfully since 2007. There are 200 student members who form the backbone of the activities undertaken in the nearby slum areas regularly. The units are also nationally recognized due to their successful participation in various national programmes of NSS. Their regular interaction with underprivileged students of Ambedkar Child Labour School is another remarkable function of the units, worth mentioning. The two units of NSS regularly organize awareness programmes on various social issues. Special camps are also organized by the NSS units every year with active involvement of the students.

- The Cycle Stand of the college accommodates approximately 200 cycles at a time, much to the relief of the students. A nominal charge has to be paid by the students willing to avail the facility.
- The College office is fully computerized. Data pertaining to students including their results are fed and stored. Accounts office is also computerized and takes care of students’ fee collection, daily accounts, maintaining cash book etc. These are handled by accounting package programmes. The College office is well equipped to render smooth and efficient service to more than 1500 students.
- The College is a recipient of RUSA grant under which developmental work are in progress.

ENDEAVOURS AND ACTIVITIES

EDUCATIONAL TOURS

The Departments of Botany, Physiology, Zoology, Bengali, English, Economics and Chemistry organize educational excursions. Though educational tours are conducted by the Departments of Botany, Physiology and Zoology as parts of their syllabi, other departments are also encouraged to arrange such programmes for academic and social upliftment of their students. The College Authority helps in availing Railway concession for the excursions and bears the expenses of the teaching and / or non-teaching employees involved in the excursions. However, the expenses of the participating students are to be borne by themselves.

HEALTH UNIT

The Medical Unit has made great progress in monitoring the health of the students, teachers and non-teaching staff. Most of the students have been issued health cards. In addition to guest physicians, some members of the Alumni Association and one of the

donor members of the Governing Body, who are experienced physicians, volunteer their service to provide free medical check up to the students of this college once in a month. Various health related programmes like Thalassemia detection, blood grouping, blood donation and psychological counselling of students are done throughout the year.

ACHARYA PRAFULLA CHANDRA ROY ECO CLUB

The Eco-Club of Raja Peary Mohan College named 'Acharya Prafulla Chandra Roy Eco-Club' was established in the year 2004 under the patronage of *Paschim Banga Vigyan Mancha*, a body actively engaged in enhancing scientific awareness throughout the state. Various well-known environmentalists of West Bengal regularly deliver lectures on contemporary environmental issues to increase the environmental awareness of the students. The wall magazine of the A.P.C. Roy Eco-Club, *Sabujavo Ritubarnomala* (a phrase borrowed from Rabindranath Tagore meaning the "greenish hue of different seasons") is being published 4 times a year.

Convenor(s): Dr. Maitri Bose (Biswas) and Aradhana Choudhary

LECTURES AND SEMINARS/WEBINARS

The College encourages new thoughts and ideas in interdisciplinary fields to inspire the students. National/State level UGC Seminars, lectures, debates and discussions are organized from time to time by the various departments in which not only the students and staff of the college but also distinguished academicians and eminent personalities from outside the college participate. It has been an honour for the college to host many renowned personalities, teachers and speakers to deliver their thoughts in the college. The Department of English organizes an Endowment Lecture, PARASAR CHATTERJEE MEMORIAL LECTURE, every year in memory of Late Parasar Chatterjee, former Head of the Department. The Department of Political Science organizes Krishanu Dasgupta Memorial Lecture every year, in memory of Late Krishanu Dasgupta, former Head of the Department. Besides, invited lectures are organized by other departments on a regular basis. Of late, the college has started a lecture series titled RAJA PEARY MOHAN MUKHERJEE LECTURE where eminent academicians and social workers are invited to deliver a lecture. The college also organises regular webinars with the help of MS Teams Support group.

GRIEVANCE REDRESSAL CELL

There is a Grievance Redressal Cell in the college as per UGC guidelines (see website) which attends to the grievances of students, parents, teaching and non-teaching staff as also makes recommendations for redressing the grievances and for ensuring that there is no cause of such grievance in the future. The Principal acts as the appellate authority in relation to the recommendations of the Cell except in cases where the grievance relates to the Principal directly or indirectly. No member of the Cell acts as member of the

Grievance Cell where the grievance relates to such member directly or indirectly.

ENTREPRENEURSHIP DEVELOPMENT CELL (UNDER THE GUIDANCE OF MSME GoWB)

Raja Peary Mohan College is going to start an entrepreneur development program under the guidance of MSME GoWB and IIM, Calcutta. Entrepreneurship development is the process of improving the skills and knowledge of entrepreneurs through various training and classroom programs. The role of entrepreneurship is not confined only to creation of enterprises, but also includes creation of the capacity to produce wealth, jobs and income, which are the most direct indicators of economic development. The college would focus on capacity building training and skill development training. In this perspective an active induction program is in progress.

Convenor: Dr. Santanu Rana

GENDER SENSITIZATION COMMITTEE AGAINST SEXUAL HARASSMENT (INTERNAL COMPLAINTS COMMITTEE - ICC)

Gender sensitization against sexual harassment in campuses is a sine qua non of peaceful and respectful living. Sexual harassment can happen at work places, institutions, in the family or on the streets. Even in an enlightened institution like a university campus sexual harassment cannot be very uncommon. With the aim of constituting a legally formalized Cell to address gender issues, the gender sensitization committee against sexual harassment (GSCASH) in Raja Peary Mohan College has been constituted. GSCASH Guidelines are in compliance with Ministry of Human Resource Development, University Grant Commission Notification 2016, University Grant Commission (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015 and UGC guidelines for ensuring gender neutrality, 2016.
